8th Grade Academic Petition

Student Name: _____ **Grade:** _____ **Date:** _____

Course Title: _____ **Number of Credits Requested:** _____

Petition for: _____ **Approval for early credit:** Early credit will not be awarded for subjects traditionally required in Jr. High (e.g., English History, Basic Science, Basic Math). Early credit will be considered for courses usually designated as High School level courses (e.g. Algebra I, Chemistry, Foreign Languages, etc.). However, students and parents/guardians should note that early credit may not be accepted when transferring to a private or public school. Please attach proposed credit contract.

_____ **Approval for non-traditional means of earning credit:** A non-traditional approach must include: a statement of intent, documentation of knowledge gained (relating to how it fulfills course requirements), specific criteria for evaluating the attainment of learning objectives, and an accounting of time spent in the endeavor. Note 120 hours are generally accepted as time required to earn 1 credit. Please attach proposed credit contract.

_____ **Credit for previous course work:** If requested credit for course work done previously, samples of work and tests must be available and/or student must submit to a test of materials.
